

APPEAL TO OUR ALUMNI AND WELL WISHERS

Of late we have started reconstructing our Yatri Niwas on erstwhile Gorge's Quarters, the old dilapidated one, For the comfortable pilgrimage of millions devotees as well as for the night stay of the guardians of the students of the school this Yatri Niwas has now become an inevitable need within our campus. And for this purpose we really lack funds. Initially that was planned for about 30 people and the construction was started to be executed. Now in the midway the budget is escalated highly. Moreover, when little more accommodation is conjectured, say 35 heads, and correspondingly the expenditure has been enhanced. In view of the provision proposed to be made for its own generator and underground water sources as well as a self sufficient Solar Energy recycling system for hot water and light during power cut which is quite often in this region, the main budget estimate mentioned in the Appeal has to be escalated to Rs. 90 lakhs.

We look forward to you for your kind contribution for this purpose from you Charity Fund for which we have Income Tax Exemption u/s 80G. of the I.T. Act 1961.
